Approved by Mail: Revised SREP Results Framework

Dear SREP Sub-Committee Members,

You will recall that at its last meeting, the SREP Sub-Committee reviewed the document, *Proposal for Revised SREP Results Framework*, and requested the CIF Administrative Unit to take the Sub-Committee’s comments into account in proposing a revised SREP results framework to be circulated to the Sub-Committee for approval by mail before the end of March.

A revised SREP Results Framework is attached to this email for your review and approval by mail. This document has been amended to take into account the comments that were made during the Sub-Committee meeting.

The SREP Sub-Committee is invited to approve the following decision:

**The Sub-Committee reviewed and endorses the Revised SREP Results Framework, dated April 3, 2012, and requests the CIF Administrative Unit to submit the revised framework to the SCF Trust Fund Committee for approval at its meeting in May 2012.**

If we do not receive an objection to the proposed decision by close of business on April 17, 2012, the decision will be approved.

Sincerely,
