**Proposed Approval of CTF funding for project entitled, South Africa: Eskom Investment Support Project**

Dear CTF Trust Fund Committee Members,

Please find attached the project document entitled, *South Africa: Eskom Investment Support Project*, submitted by IBRD for your review and approval of a CTF allocation of \$250 million. This is the first IBRD project proposal in South Africa's CTF Investment Plan, which was endorsed by the Trust Fund Committee in October 2009.

The Trust Fund Committee is requested to approve the following decision:

**“The CTF Trust Fund Committee approves a CTF allocation of \$250 million for the project entitled, *South Africa: Eskom Investment Support Project*, submitted by IBRD and circulated for approval of CTF funding on February 12, 2010.”**

If we do not receive an objection to this proposed decision by close of business on **Friday, February 26, 2010**, the decision will be approved. The decision will become effective when the Trustee confirms that sufficient funds are available in the CTF Trust Fund to finance this project.

Sincerely,
