**Approval by mail: Colombia: Financing strategy for leveraging private investment in electricity generating systems in Non-Interconnected Zones - Mini Grids (DPSP) (IDB) (PPG)
Comment from the UK**

Mafalda,

The UK is happy to approve the USD 200,000 PPG grant funding for the project entitled, Colombia: Financing strategy for leveraging private investment in electricity generating systems in Non-Interconnected Zones – Mini Grids, submitted by the Inter-American Development Bank.

The UK notes the request for USD 10,000 for project supervision and implementation services and approves funding for such costs.

Kind regards,
Kate
