Endorsement of the Strategic Program for Climate Resilience for Samoa

The PPCR Sub-Committee, having reviewed the *Strategic Program for Climate Resilience for Samoa*,

- a) **endorses the SPCR** as a basis for the further development of the projects foreseen in the strategic program and **allocates up to \$25 million in PPCR grant funding for the program**;
- b) **approves a total of \$600,000 in PPCR funding as preparation grants** (\$200,000 for the proposed investment projects: "Enhancing the Climate Resilience of the West Coast Road" and \$400,000 for the proposed investment projects "Enhancing the Climate Resilience of Coastal Resources and Communities");
- c) takes note of the estimated budget for project preparation and supervision services for the projects referenced above and **approves a first tranche of funding for MDB preparation and supervision services** as follows:
 - i. \$305,000 for the investment project "Enhancing the Climate Resilience of the West Coast Road" (World Bank); and
 - ii. \$400,000 for the investment project "Enhancing the Climate Resilience of Coastal Resources and Communities" (World Bank).
- d) requests the Government of Samoa and the MDBs to take into account all written comments submitted by Sub-Committee members when endorsing the SPCR in the further development of the projects.
