Dear Ms. Kutter,

Official Submission: Strategic Programme for Climate Resilience- Pilot Programme for Climate Resilience

On behalf of the Government of Saint Vincent and the Grenadines I am pleased to submit Saint Vincent and the Grenadines' Strategic Programme for Climate Resilience (SPCR) for the consideration of the Pilot Program for Climate Resilience Steering Committee under the Climate Investment Fund (CIF).

Through the submission of this SPCR, the Government of Saint Vincent and the Grenadines seeks funding to assist with the implementation of the proposed investment program as outlined. It is expected that such an intervention would measurably build climate resilience in Saint Vincent and the Grenadines through piloting innovative adaptation measures that would help to reduce vulnerabilities to natural hazards and the adverse impacts of climate change.

Your kind consideration of this request is greatly appreciated.

Yours sincerely,

.....
Laura Anthony-Browne
Director of Planning
