Excellency,

Subject: Endorsement of the Investment Plan for Honduras under SREP

I am writing to thank you again for co-chairing the recent meeting of the Sub-Committee for the Program for Scaling Up Renewable Energy in Low Income Countries (SREP) and to warmly congratulate you on the excellent presentation you made to the Sub-Committee to introduce Honduras' investment plan.

As you are aware, the Sub-Committee reviewed the investment plan for Honduras and endorsed it as a basis for the further development of the projects foreseen in the plan. The decision has been recorded in the Summary of the Co-Chairs of the meeting which is attached to this letter for your records.

Please do not hesitate to contact the CIF Administrative Unit or the staff from the Inter-American Development Bank or the World Bank Group working with you on the investment plan should you have any questions or require further clarification.

We look forward to receiving the project proposals identified in the investment plan for Sub-Committee approval of SREP funding.

Sincerely,
