Comments Received from Germany--Approval by Mail: CTF Ukraine: Sustainable Energy Lending Facility Replenishment (EBRD)

Dear Patricia, dear EBRD-Ukraine-Team, dear all,

GER approves the proposed decision and wants to thank EBRD for the responses and for the ongoing efforts to tackle the cumbersome Local Share Content Rule issue. We want to encourage EBRD to provide financing effectively only "to those projects for which the assessment demonstrates the local content requirements is not a binding constraint".

Thank you very much,

kind regards

Ina
