FIP Pilot Countries Meeting
Kinshasa, Democratic Republic of Congo
23-25 June 2015

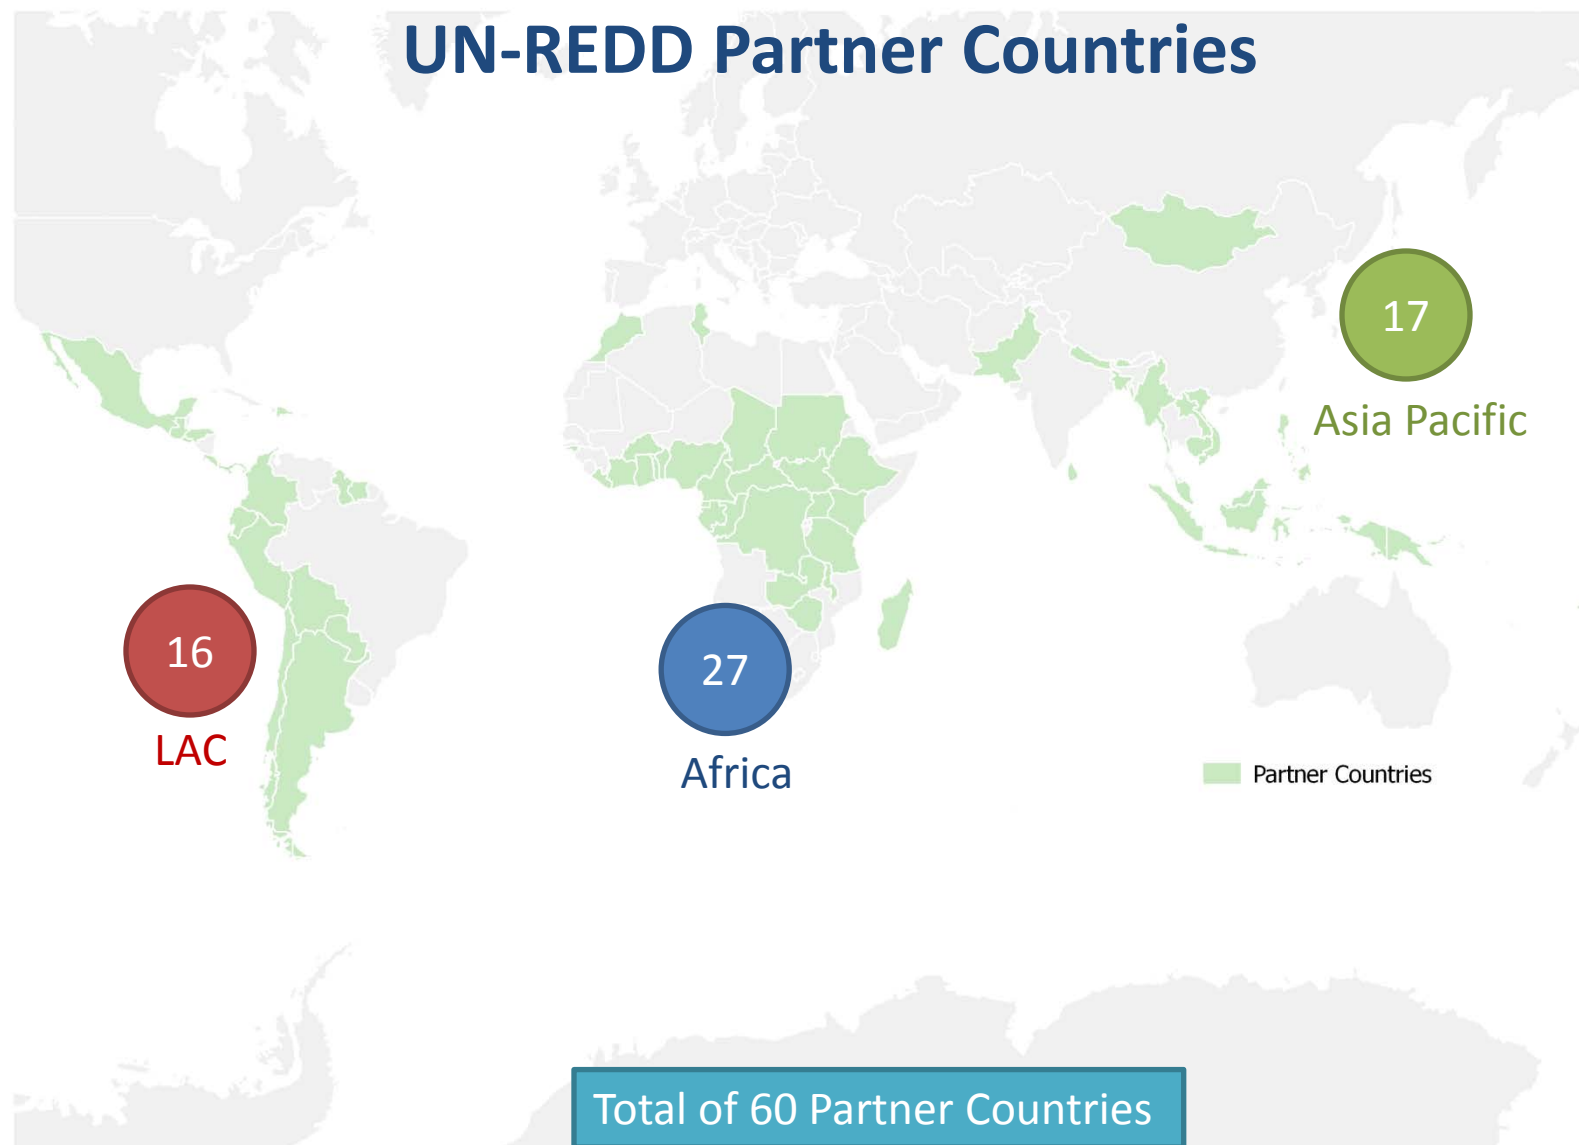

Empowered lives.
Resilient nations.

Overview

- A UN partnership (FAO/UNDP/UNEP) established to support REDD+ readiness in the context of the UNFCCC
- **Main aim:** To support developing countries build capacity to participate in a future REDD+ system
 - assisting countries to set up REDD+ systems that align with the UNFCCC agreements: *Cancun Agreements* (2010) and Warsaw climate framework (2013)
- **Secondary aim:** Develop best international practice for REDD+ (e.g. tools, methodologies, knowledge management, south-south exchanges)
- **Key donors:** Norway, the European Union, Spain, Denmark, Japan, Luxembourg
- **Total contribution:** 256 millions USD

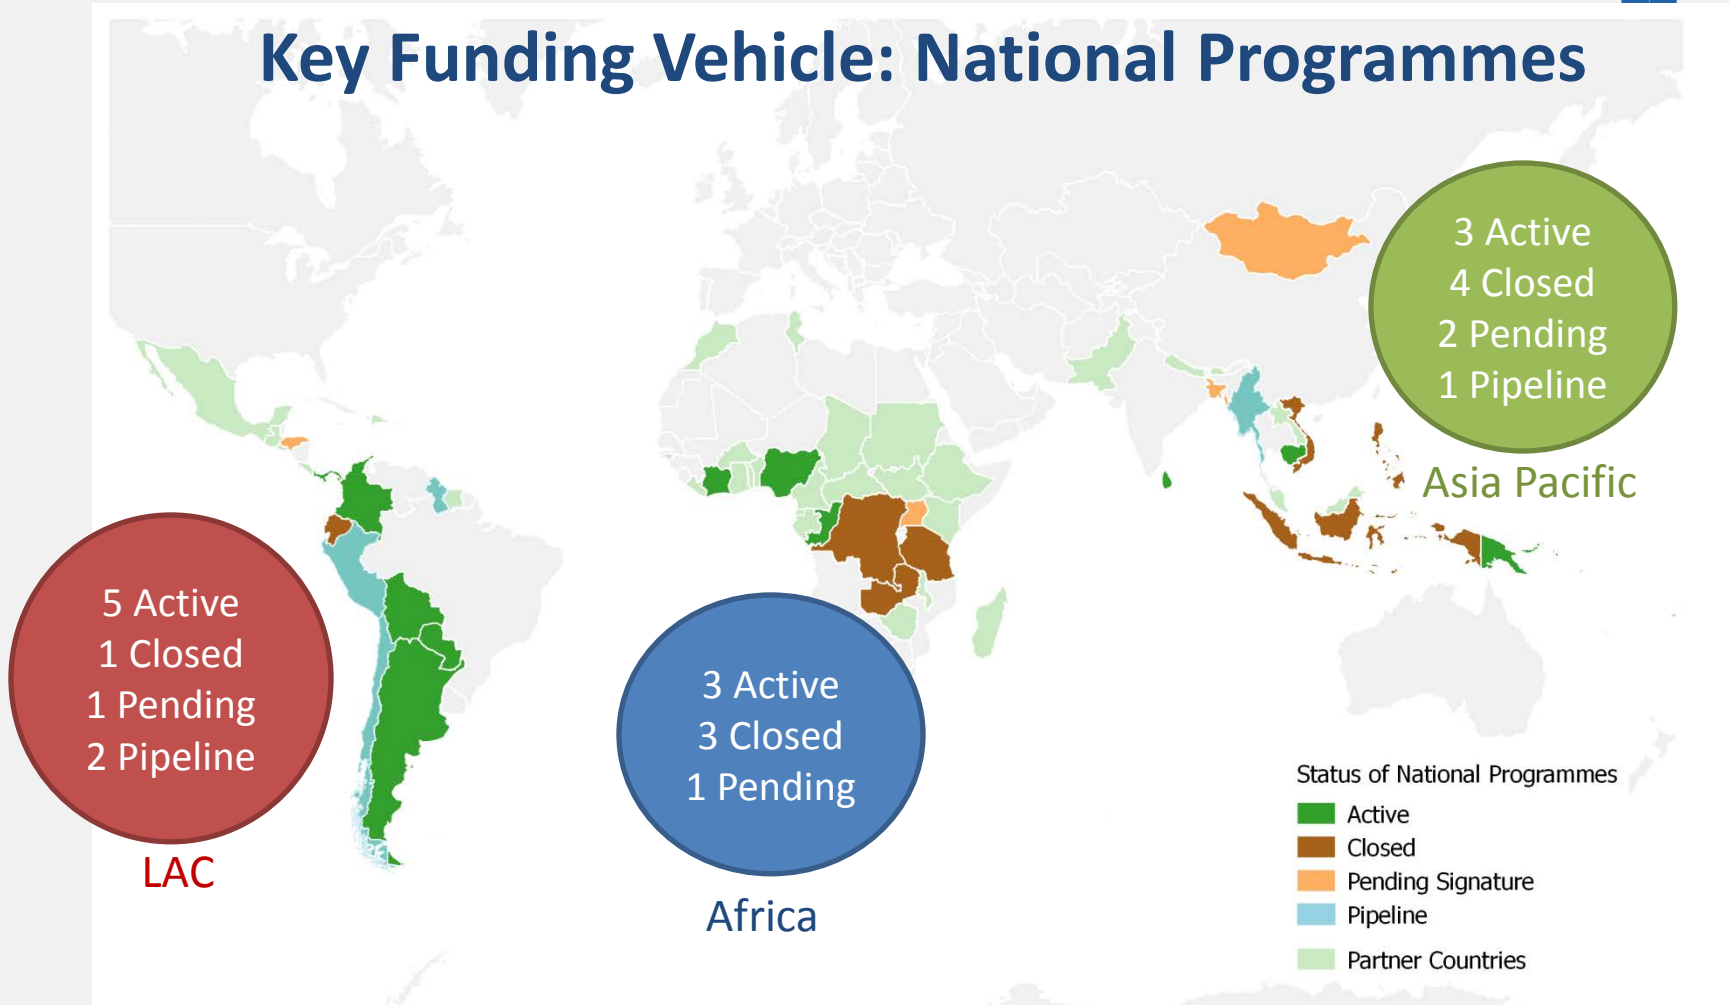

UN-REDD Partner Countries

Total of 60 Partner Countries
