**Approval by mail: Jamaica: Adaptation Program and Financing Mechanism for the Pilot Program for Climate Resilience - Request for Project Implementation and Supervision Services (IDB) PPCR**

Dear PPCR Sub-Committee members,

You may recall that upon endorsing the original SPCR for Jamaica in November 2011, the Sub-Committee approved the first tranche of project implementation and supervision services of USD 200,000 for the following two projects, i) *Mainstreaming Climate Change Adaptation in Local Sectoral and National Plans, and Implementing Integrated Adaptation Strategies in targeted River Basin Planning and Management*, and ii) *Financing Mechanisms for Sustained Adaptation Initiatives by the public and private sectors and community-based organizations*, and took note of the total estimate of USD 400,000 for such costs for each project. Both projects were to be implemented by the Inter-American Development Bank (IDB).

In September 2014, the Sub-Committee approved a request submitted by IDB to, i) merge the two projects stated above into one project entitled, *Adaptation Program and Financing Mechanism for the Pilot Program for Climate Resilience*, ii) approve USD 10.0 million in credits and USD 7,895,970 in grant funding; and, iii) approve USD 200,000 for project implementation and supervision services.

With the merging of the two projects the final estimated costs for project implementation and supervision services totaled USD 800,000 out of which USD 600,000 has already been approved leaving a balance of USD 200,000.

IDB has now submitted the attached request for the remaining USD 200,000 for project implementation and supervision services.

The Sub-Committee is requested to approve the following decision.

**The Sub-Committee notes the revised final estimate of USD 800,000 and approves the remaining tranche of USD 200,000 for project implementation and supervision services for the proposal entitled *Adaptation Program and Financing Mechanism for the Pilot Program for Climate Resilience*, submitted by the Inter-American Development Bank (IDB).**

If we do not receive an objection to this proposed decision by close of business on **June 4, 2015**, the decision will be approved.

Sincerely,

**Mafalda Duarte**  
Program Manager
