

**REVISED DECISION ON AGENDA ITEM 6 – PROPOSAL FOR MODALITIES AND INCENTIVES TO  
INCLUDE A BROAD RANGE OF EVALUATIVE APPROACHES IN THE CIF**

The joint meeting, welcomes the document CTF-SCF/TFC.11/5, *Proposal for Modalities and Incentives to include a Broad Range of Evaluative Approaches in the CIF*, and invites the CIF Administrative Unit, in collaboration with the MDBs:

- a) to prepare a more comprehensive overview of approaches that could be put into place with the goal of increasing the number of initiatives that include evaluative approaches as part of their design, including information on how other funds have handled this issue and what are the experiences and emerging best practices;
- b) to undertake a stock taking of what MDBs are already doing and plan to do to evaluate CIF-funded projects, and
- c) to prepare a portfolio mapping and assessment of which CIF pipeline project/program concepts could be suitable for incorporating real-time evaluative approaches, including impact evaluation , in the further design and development of the projects/programs.

The joint meeting requests the CIF Administrative Unit and the MDBs to present to the next joint meeting of the Committees in June 2014 a proposal, based on the above information, as to the project/program concepts suitable for incorporating evaluative approaches. The proposal should include information on: (a) the value added, (b) challenges and how they would be addressed, (c) CIF financing that would be needed to cover the additional costs of the evaluative activities, and d) CIF pilot countries' interest in incorporating such approaches.
