Mr. Alberto Pizango Chota  
President  
Inter-Ethnic Association for the Development of the Peruvian Forest (AIDSESEP)  
Lima, Peru

Dear Mr. Pizango Chota:

**Subject: Your letter of April 1, 2013**

We wish to acknowledge receipt of your letter informing us of the outcomes of the meeting on the Dedicated Grant Mechanism for Peru, organized by the Vice Ministry of Interculturality supported by the Ministries of Environment, Economy, Energy and Mining and Agriculture. We are very pleased to hear that progress has been made and there is agreement between the Indigenous Peoples groups and the Government of Peru on the process.

We would also like to take note of the information that in a meeting of AIDSESEP and CONAP on March 27, 2013; ten representatives for the National Steering Committee were identified through a self-selection process. In order to confirm that the process was consistent with the provisions in the “*DGM Framework Operational Guidelines*” agreed by the DGM Transitional Committee, we would kindly request additional information on the participants who joined the meeting, including their institutional affiliations, and how the self-selection process was conducted.

As pointed out in our meeting during the *Joint Mission* which took place in February 2013, we would also appreciate if the Indigenous Peoples groups of Peru could make as soon as possible, a decision which multi-lateral development bank (MDB) they wish to work with in the implementation of the DGM. Once that decision has been made, any subsequent activity can be discussed and organized with the agreed MDB.

We thank you for constructive approach in initiating the process for the DGM in Peru. Please don't hesitate to contact me if you need further information or guidance.

Sincerely,

Andrea Kutter
