PPCR INVESTMENT PLAN FOR KYRGYZ REPUBLIC

The PPCR Sub-Committee, having reviewed the document PPCR/SC.21/7, Strategic Program for Climate Resilience (SPCR) for Kyrgyz Republic endorses the SPCR as a high-level strategic framework, noting that the broad scope of activities covered goes beyond the mandate of the PPCR.¹

The Sub-Committee encourages the Government of Kyrgyz Republic and the MDBs to actively seek resources from other bilateral or multilateral sources to fund further development and implementation of the projects foreseen in the strategic plan.

¹ The Government of the Kyrgyz Republic decided to rename the SPCR to “*Climate Investment Programme of the Kyrgyz Republic*” to ensure that the document fits with the existing country’s national policy framework.
