Approval by Mail: PPCR Bolivia: Resubmitted Concept Notes for the Private Sector Set-Aside

Dear PPCR Sub-Committee Members,

During the last PPCR Sub-Committee meeting held on June 27, 2014, you reviewed document [PPCR/SC.14/5/Rev.1, PPCR Private Sector Set-Aside \(Second Round\) Review and Selection of Proposals](#), and in the [decision](#) invited the MDBs to revise and resubmit project concepts that were referred back for further development, taking into account comments of the expert group and any written comments submitted by the Sub-Committee. It was further agreed to consider the endorsement of the revised concepts, taking into account the available resource envelope, through a decision by mail no later than September 1, 2014.

The Inter-American Development Bank (IDB) has submitted for your review and endorsement the attached revised concept notes:

- ii. *Bolivia: Inclusive Finance to Improve Climate Resilience of Bolivian Agricultural Producers,*

to be financed from resources under the PPCR private sector set aside. In a separate document, IDB has also provided a matrix of responses to specific questions raised by the Expert Group on the proposal *Bolivia: Inclusive Finance to Improve Climate Resilience of Bolivian Agricultural Producers*.

The PPCR Sub-Committee is requested to approve the following decision:

The PPCR Sub-Committee endorses the following project concepts:

a) *Bolivia: Building Climate Resilience in Small Livestock Producers in the Bolivian Chaco Region (IDB);*
and

b) *Bolivia: Inclusive Finance to Improve Climate Resilience of Bolivian Agricultural Producers (IDB);*

and invites the IDB to prepare, in collaboration with the project proponent and taking into account comments from the Sub-Committee, a detailed project proposal and submit it to the PPCR Sub-Committee for PPCR funding approval.

If we do not receive an objection to this proposed decision by close of business on **September 17, 2014**, the decision will be approved.

Sincerely,
