¹ In cases where the total requested payment request exceeds the relevant benchmark adopted by the SCF Trust Fund Committee, a detailed cost estimate based on quantitative assessments of inputs required (staffing arrangements and time, travel requirements, number of missions , etc) has to be provided to support the consideration of the fee request by the SCF Sub-Committee on an exceptional basis. Such an estimate would be accompanied by an explanation of the particular aspects of project design and or implementation arrangements that are causing estimated MDB implementation support and supervision costs to exceed the benchmark.

² Including the preparation grant request

³ The justification should include an explanation of (i) why no linkages to ongoing or planned MDB financing have been possible or pursued, and (ii) the expected effectiveness of the proposed stand-alone SCF project in addressing the objectives and priorities of the country investment plan/strategy; and a confirmation that the proposed project forms part of the MDB’s agreed country assistance strategy.
